## & THE COSTA BRAVA

Barcelona has been called the jewel in Spain's cultural crown thanks to the wealth of attractions it offers visitors.

Its burgeoning art and fashion scenes, world-famous architecture and remarkable gastronomy have made it a popular city break destination for many different nationalities from around the globe.

La Roca Village, the Chic Outlet Shopping® destination just 40 minutes from Barcelona, is perfectly placed to be included in any itinerary based on the Catalunya capital city or the region of Costa Brava.

In Barcelona, along Las Ramblas – the street famous for its bars and restaurants – you can walk off any over-

indulgence, or take a stroll in Parc Güell, a city garden designed by Gaudí.

Art dominates this area of Spain, and the Dalí Theatre Museum and Picasso Museum celebrate comprehensively the work of their respective artists.

Any trip to Barcelona must include a visit to Gaudí's masterpiece, the famous Sagrada Família, the iconic and unfinished Roman Catholic church.

Away from Barcelona lie the ancient city of Girona and the Costa Brava, one of Europe's most desirable coastal areas. And within striking distance of both, La Roca Village provides the perfect stop-off.

“LA ROCA VILLAGE IS BARCELONA'S PREMIER OUTLET SHOPPING VILLAGE. WITH A STRONG TOURIST FOCUS, IT OFFERS GREAT SHOPPING AND MORE THAN 100 BRANDS ALONG WITH THE UNIQUE EXPERIENCE OF SHOPPING IN A CATALONIAN VILLAGE”
